UNITED STATES COURSES OF ACTION IN KOREA /URGENT PROJECT/
(Memo for NSC from Acting Executive
Secretary, same subject, dated
September 5, 1951; NSC 48/5; NSC
Action No. 562)

The Council, at its meeting on September 24, considered the recommendation by the Joint Chiefs of Staff submitted by the Secretary of Defense in the enclosure to the reference memorandum on the subject and noted the request of the Chairman, Joint Chiefs of Staff, that in view of the changed situation the Council suspend action on the recommendation, pending its reconsideration by the Joint Chiefs of Staff after consultation with General Ridgeway. The Council also directed the Senior NSC Staff to review the reference recommendation in the light of this reconsideration by the Joint Chiefs of Staff and to explore as a matter of urgency other practicable courses of action designed to achieve a settlement in Korea acceptable to the United States. (NSC Action No. 562.)

The Senior Staff, at its meeting on September 27, discussed the subject in the light of the above Council action and agreed that: (1) State and Defense, with the assistance of other interested agencies, would prepare for Council consideration a draft report on United States courses of action in Korea in the event either of a continued stalemate or of a formal breakdown of the Kaesong negotiations; (2) The Psychological Strategy Board would undertake at once to prepare a preliminary report on the position of the United States with respect to repatriation and to exchange of prisoners of war; and (3) State and Defense would jointly examine the need for a revision of U. S. policy respecting Southeast Asia, with particular reference to Indo-China, for consideration by the Senior NSC Staff.

Awaiting results of reconsideration of the reference recommendation by the Joint Chiefs of Staff and preparation of reports by State, Defense, and the Psychological Strategy Board as indicated above.

THE EASTERN MEDITERRANEAN AND MIDDLE EAST /PRIORITY PROJECT/
(Memo for Senior NSC Staff from Executive Secretary, same subject dated December 12, 1950; NIE-14 and 26; Memo for Senior NSC Staff from Executive Secretary, subject: "World-Wide Demand and Supply of Petroleum in Event of a Major War," dated August 3, 1951; Records of Senior NSC Staff Meetings, December 29, 1950 and July 10 and August 16, 1951; Memo for Senior NSC Staff from Executive Secretary, subject: "The Position of the United States with Respect to the General Area of the Eastern Mediterranean, Red Sea and Persian Gulf," dated October 5, 1951)

Memo by the Senior State Member on the subject transmitted by the reference memo of December 12 and considered by the Senior Staff on December 29, when it was agreed that an initial draft report should be prepared by State and that CIA should furnish an intelligence estimate of local attitudes and conditions which affect protection of our interests and the realization of our objectives. On February 23 the Senior NSC Staff agreed that this project should be completed as a matter of priority. CIA estimate circulated as NIE-26.

On July 10 the Senior Staff agreed that this report should proceed without awaiting completion of the related project on a national petroleum program (NSC 97, see below), but that the report should not be submitted for NSC consideration until the information being developed in connection with the petroleum report could be taken into account. On August 16 the Senior Staff discussed the report prepared by the Petroleum Administrator for Defense and transmitted by the reference memo of August 3, and agreed that this report should be studied further by the Senior Staff before finally completing a report on the Eastern Mediterranean and the Middle East. Draft statement of policy, which takes account of the preliminary material on the world oil situation being assembled in connection with the NSC 97 project, has been prepared by the Department of State and transmitted by the reference memo of October 5 for the consideration of the Senior Staff. To be scheduled on the agenda of an early meeting.

CONDITIONS FOR A PEACEFUL SETTLEMENT
WITH THE USSR

/PRIORITY PROJECT/

(Records of Senior NSC Staff Meeting February 23 and May 24; NSC 79; NSC 112; NSC Action No. 511; Memo for NSC from Executive Secretary, subject: "United States and Allied Objectives in the Event of Global War," dated September 6, 1950)

CONDITIONS FOR A PEACEFUL SETTLEMENT WITH THE USSR (Cont'd)

On February 23 the Senior NSC Staff agreed that the NSC 79 project on United States and allied war objectives should be completed in two sections and that the section on the above subject, including a plan for reduction and regulation of armaments and armed forces, should be completed as a matter of priority. On May 24 the Senior Staff agreed that the completion of this project would provide an important background for obtaining popular support for U. S. national security policies.

Report by the Secretaries of State and Defense in connection with the plan referred to above, adopted by the Council. (NSC Action No. 511) and approved by the President as NSC 112. On July 10, the Senior NSC Staff noted that NSC 112 was the first step toward completion of this project and that further work would proceed in the light of Council action on NSC 112. Awaiting report by the State, Defense and JCS members. (See also related projects below.)

UNITED STATES AND ALLIED WAR OBJECTIVES IN THE EVENT OF GLOBAL WAR

(NSC 79; Memo for NSC from Executive Secretary, same subject, dated September 6, 1950)

JCS memo (NSC 79) circulated for Council information and referred to the Staff for use in the preparation of a report. The Senior Staff designated an ad hoc group to draft a report to include both a statement of war objectives in the event of global war, and such related questions as a statement of the conditions that the U. S. would be willing to accept for a peaceful settlement with the USSR and its satellites. At the initial meeting of the ad hoc group under the chairmanship of the State member on October 6, the form and content of a response to the problems posed by NSC 79 were discussed and agreed upon.

On February 23 the Senior Staff agreed that this project should be divided as follows: (1) a statement of U. S. and allied war objectives in the event of a global war; and (2) a statement of the conditions the U. S. would be willing to accept for a peaceful settlement with the USSR, including a plan for the reduction and regulation of armaments and armed forces. Awaiting initial draft by the State Policy Planning Staff of the project listed under (1) above. (See also related projects above and below.)

By NSC Action No. 487-a the Council directed the Senior NSC Staff to prepare, with the assistance of appropriate executive departments and agencies, the following reports for Council consideration: (1) A review of the status of the programs described in NSC 68/4, including an analysis of any difficulties which may be impeding or preventing their successful execution; and (2) Recommendations regarding any revisions or modifications of the policies and programs contained in NSC 68/4.

On June 14 the Senior NSC Staff designated a Steering Committee, composed of the Senior State, Defense and ODM Members, to coordinate the preparation of reports called for by NSC Action No. 487-a.

CURRENT NSC STAFF PROJECTS (Cont'd)

UNITED STATES PROGRAMS FOR NATIONAL SECURITY (Cont'd)

Supplementary to NSC Action No. 487-a, the President issued a directive to the NSC with respect to the review of the NSC 68 programs, which was transmitted by the reference memo of July 12 and referred to the Senior NSC Staff. The directive called for completion of the first report mentioned above by August 1, and the second by October 1.

The first report, on the "Status and Timing of Current U. S. Programs for National Security" was submitted to the President by the Council (NSC Action No. 523) as NSC 114/1 and Annexes to NSC 114/1 on August 8, 1951.

On August 9 the Steering Committee agreed on the procedure and tentative schedules for the preparation of the report due October 1 as set forth in the reference record of meeting. An outline for the report, prepared by the Steering Committee, was transmitted by the reference memo of August 15 for the information of the Senior Staff.

On August 16 the Senior NSC Staff, in connection with its discussion of a report on "World-Wide Demand and Supply of Petroleum in Event of a Major War," (See NSC 97 project below) agreed that the need for expansion of petroleum production, refining and storage facilities which would require use of materials in short supply that are essential to other parts of the military and mobilization program, should be considered in the preparation of the forthcoming report on "United States Programs for National Security."

Draft Annex No. 3, prepared by the Federal Civil Defense Administration, was transmitted for the information of the Senior Staff by the reference memo of September 12. Draft Annex No. 5, prepared by the State Department, was transmitted for the information of the Senior Staff by the reference memo of September 13. Draft Annex No. 6, prepared by the Central Intelligence Agency with the concurrence of the Intelligence Advisory Committee, was transmitted for the information of the Senior Staff by the reference memo of September 9. Draft Annex No. 7, prepared by the Interdepartmental Intelligence Conference and the Interdepartmental Committee on Internal Security, was transmitted for the information of the Senior Staff by the reference memo of September 18.

Draft Annex No. 2, prepared by the International Security Affairs Committee was transmitted for the information of the

Senior Staff by the reference memo of September 13 on "Foreign Aid Programs for Non-European Areas" and the reference memo of September 24 on "Foreign Aid Programs for the European Area." Special Estimate, prepared by CIA with the concurrence of the Intelligence Advisory Committee to constitute Appendix A to Parts I and II of the forthcoming report, was transmitted for the information of the Senior NSC Staff by the reference memo of September 24 on "Probable Developments in the World Situation Through Mid-1953."

The Senior Staff at its meeting on September 25, after considering drafts of Part I, "Probable Developments in the World Situation Through Fiscal Year 1954," and Part II, "Strategy to Meet United States Security Needs in This Period," prepared by the drafting team and transmitted by the reference memo of September 21, referred them to the drafting team for revision in the light of the discussion.

On September 25, the President approved the request of the Secretary of Defense for a limited extension of time for the submission of the second of the reports called for by the President's directive of July 12 in order to permit the Senior Staff to complete its draft report as soon as practicable after the Defense recommendations concerning force levels are established. (Reference memo of September 25 on the subject). The Secretary of Defense also stated his belief that this could be done in time for the Senior NSC Staff to submit its completed report for Council consideration at its meeting on October 17.

Revisions of Parts I and II prepared by the Drafting Team were transmitted by the reference memos of October 5 for consideration by the Senior Staff at its meeting on October 9. Changes proposed by the Director, Psychological Strategy Board, to paragraph 30 of Part I and paragraphs 48 and 49 of Part II transmitted for concurrent consideration of the Senior Staff by the reference memo of October 8.

Awaiting Defense recommendations on force levels, consideration of Parts I and II by the Senior Staff, and preparation by the Steering Committee of the draft report on "United States Programs for National Security." (See also related projects above and below.)

PROPOSED NSC STUDY OF USE OF CIVILIAN MANPOWER OF NON-SOVIET NATIONS FOR PRODUCTION OF GOODS AND SERVICES

(Memo for Senior NSC Staff from Executive Secretary, subject: "Proposed NSC Study of Use of Foreign Manpower for Production," dated March 29, 1951; Memo for Senior NSC Staff from Executive Secretary, same subject, dated April 16, 1951)

Memos by the Acting Senior NSRB Member and by the Senior ODM Member transmitted by the reference memos of March 29 and April 16, respectively, were considered by the Senior Staff on April 17. It was agreed that ODM should undertake the preparation of a report on the subject for consideration by the NSC Staff along the lines proposed by ODM in the report attached to the reference memo of April 19. The Staff further agreed to the inclusion of NSRB and Mr. Harriman's Office among the agencies to be consulted by ODM. Awaiting report from Senior ODM Member. (See related project in Section 3-B.)

NATIONAL PETROLEUM PROGRAM

(NSC 97; Memo for Senior NSC Staff from Executive Secretary, subject: "World-Wide Demand and Supply of Petroleum in Event of a Major War," dated August 3, 1951; Record of Meeting of Senior NSC Staff of August 16, 1951; Memo for Senior NSC Staff, from Executive Secretary, same subject, dated September 26, 1951)

At the direction of the President, a letter from the Acting Secretary of Defense on the subject (NSC 97) was referred to the Director of Defense Mobilization to develop a national petroleum program leading to the complete supply of allied requirements, for consideration by the NSC. On July 10, the Senior NSC Staff agreed that information being developed in connection with this project which relates to the project on the Eastern Mediterranean and the Middle East (see above) should be available when the Council considers a report on the Eastern Mediterranean and the Middle East.

At the request of the Senior ODM member of the NSC Staff, a report on the subject, "World-Wide Demand and Supply of Petroleum in Event of Major War," prepared by the Petroleum Administrator for Defense was transmitted to the Senior NSC Staff for information by the reference memo. On August 16 the Senior Staff discussed this report and agreed upon a division of responsibility for studying and reporting on the several issues raised by the report as these issues related to projects under consideration by the Senior Staff. Assignment of responsibilities are set forth in the reference

record of the meeting of the Senior Staff. Report by the Senior State representative on the activities of the State Department pursuant to paragraph 1-e-(4) of the reference record of meeting was transmitted by the reference memo of September 26 for the information of the Senior Staff and will be scheduled for discussion at an early meeting in connection with a review of actions taken by other departments and agencies pursuant to the reference record of meeting. Awaiting presentations and reports to the Senior Staff by those departments and agencies concerned, and the development of a national petroleum program by the Director of Defense Mobilization.

SECURITY OF STRATEGICALLY IMPORTANT INDUSTRIAL OPERATIONS IN FOREIGN COUNTRIES

(Progress Report, dated July 24, 1951 by the Department of State on NSC 29; NSC Action No. 531)

By NSC Action No. 531 the Council referred the reference Progress Report to the Senior NSC Staff for recommendations regarding the desirability of a revision of the list of operations contained therein and the frequency of future progress reports by the Department of State. On September 27, in connection with a review of the NSC Status of Projects, the Senior Staff agreed that the State Department, with the assistance of a sub-committee composed of representatives from Defense, NSRB, ODM and CIA, would assume responsibility for the preparation of a draft report pursuant to NSC Action No. 531. Memorandum from the office of the Secretary of Defense dated October 2, 1951, which advised that recommendations by the Munitions Board for revision of the list of strategically important industrial operations would be submitted by December 15, 1951, has been transmitted to the Senior State member of the NSC Staff for his information and use in connection with this project. Awaiting report by State.

PROVISION FOR STATE INTERNAL SECURITY FORCES

(NSC 96/1 and NSC 96; NSC Action No. 409; Memo for Members of Staff group from Executive Secretary, subject: "Provision for State Guard Forces," dated May 7, 1951; Memo for Senior NSC Staff from Executive Secretary, subject: "Provision for State Forces", dated September 19, 1951)

At the request of the Secretary of Defense, NSC 96 on the subject was submitted for Council consideration. At its 77th meeting, by the reference action, the Council agreed to request the Chairman, NSRB, to develop, in consultation with

other interested agencies, a plan for the provision of essential Federal guidance and assistance to the States in organizing reserves to perform State and local security functions when the National Guard is ordered into active military service, this plan to include any necessary Federal legislation.

Report by the Chairman, NSRB, circulated for Council information as NSC 96/1 and referred to the NSC Staff for use in the preparation of a report for Council consideration. On April 12, the Senior Staff discussed NSC 96/1 and referred it to the Defense, JCS and NSRB Staff members together with officials from the Department of Justice, the Bureau of the Budget, and the Federal Civil Defense Administration, for use in the preparation of a report for Senior Staff consideration.

Draft outline, prepared by the Executive Secretary, transmitted to the above staff group by the reference memo, and discussed at a meeting on May 14. With some modifications, the outline was adopted as a working guide and the proposed assignments were accepted. A new draft report, prepared on the basis of material submitted by Defense, Justice and Civil Defense, in accordance with the agreed outline, was transmitted to the Senior Staff by the reference memo of September 19 and will be scheduled for discussion at an early Senior Staff meeting.

PROPOSED TRANSFER ON THE POINT IV PROGRAM FROM THE DEPARTMENT OF STATE TO THE ECONOMIC COOPERATION ADMINISTRATION

(NSC 110; Memos for Senior NSC Staff from Executive Secretary, same subject, dated June 18 and August 9, 1951)

Memorandum on the subject from the Bureau of the Budget (NSC 110 was referred by the President to the NSC with the request that the Senior NSC Staff prepare a recommendation on the subject for Council consideration as advice to the President. At the direction of the President, the Secretaries of the Interior, Agriculture, and Commerce, the Federal Security Administrator and the Economic Cooperation Administrator will participate in this Council project and have designated representatives to join with the Senior NSC Staff for this purpose. The President also expressed the desire that the views of the Rockefeller Committee be obtained in this connection.

POSITION OF THE UNITED STATES WITH RESPECT TO SCANDINAVIA
(Progress Report, dated November 14, 1950, on NSC 28/1 and NSC 32/1; NSC 88; Memo for Senior NSC Staff from Executive Secretary, subject "U. S. Courses of Action in the Event the Soviets Attempt to Close the Baltic", dated March 26, 1951; Record of Senior Staff Meeting on April 3, par. 3; Memo for Senior NSC Staff from Executive Secretary, same subject, dated August 2, 1951)

On December 13 the Senior NSC Staff directed the Staff Assistants to prepare a draft revision of NSC 28/1 for consideration by the Senior Staff.

On October 17, 1950, NSC 88, "U. S. Courses of Action in the Event the Soviets Attempt to Close the Baltic," was circulated for Council information and referred to the NSC Staff for preparation of a report for Council consideration. In view of recommendations made by the Staff Assistants in the reference memo of March 26, the Senior Staff agreed on April 3 that a statement of policy and a staff study on the subject of NSC 88 should be incorporated in the draft report on "The Position of the United States With Respect to Scandinavia," and that completion of this project should be expedited.

At its meeting on August 7 the Senior Staff with Mr. W. Walton Butterworth, United States Ambassador to Sweden, participating, discussed an initial draft report prepared by State and circulated by the reference memo of August 2. The Senior Staff referred the draft report to the Staff Assistants for revision in the light of the Senior Staff discussion and agreed that this revision should be a complete report which, if adopted, could supersede previous reports on the subject and should apply to Finland and the Baltic as well as to Denmark, Norway and Sweden.

Awaiting initial revised draft report by State.

UTILIZATION OF MANPOWER OF OTHER NATIONS FOR MILITARY PURPOSES

(NSC 108 and memo for all holders of NSC 108, dated April 24, 1951; Memo for NSC from Executive Secretary, same subject, dated May 8, 1951; NSC Action No. 472)

At the suggestion of the Senior State Member, the Senior NSC Staff on December 12 agreed to designate an ad hoc
